Hobbies

I am passionate about fitness and the outdoors which I enjoy through running, mixed martial arts, wild-camping and weight training. I also enjoy playing and developing games, I continue to improve my skill by creating small to medium sized projects both solo and with friends.

Profile

BSc (Hons) Computer Science student from the University of Hull with a passion for programming. I am looking to develop my career with a company that is supportive of enhancing skills and personal development within a challenging environment.
